ST BARNABAS' PORTRAITS

As part of our Art Curriculum, all pupils draw self-portraits. Each year group focusses on different art skills and develop their understanding of their key focus artist for the year. They then create an artwork in the style of their Master artist. The pupils have specifically focussed on line, shape, texture, tone and colour.

MATHS WEEK

As part of maths week, children have earned monopoly money for their behaviour during the week. On Monday, children will have a chance to spend their money at the 'St Barnabas' shop' and buy some items such as extra play time, prizes, table tennis time, and books.

INTERNATIONAL DAY

A reminder that **International Day** will be held on **Thursday 21st November**. It will take place in the hall from **3.45pm-5.00pm**. You are invited to bring in a dish from your family's country/ies or your favourite dish, to all share together.
