### HAMPTON COURT PALACE

Year 5 had a fantastic day visiting Hampton Court Palace! The adventure began with an exciting journey, as pupils travelled by both bus and train, showing great responsibility and excellent behaviour throughout.

At the palace, the children stepped back in time to explore the world of King Henry VIII. They visited the grand kitchens, where they learned how food was prepared in Tudor times, and were amazed by the size of the Great Hall. The tour continued through Henry VIII's apartments, where pupils discovered what life was like for a Tudor king, and they were especially excited to see his crown and the beautiful chapel.

The day also included time outdoors, where pupils explored the stunning gardens and enjoyed navigating the famous maze—a highlight for many!

It was a wonderful opportunity to bring their history learning to life, and the children represented the school brilliantly. Well done, Year 5!

### WONDERFUL ACHIEVEMENTS
